

LooNurGooSe 'SPITTING NOODLES' AVAILABLE FOR THE EARS

LooNurGooSe 'SPITTING NOODLES'

Chad Hamlin's eccentric expression of musical art has significant levels of abstract soundscapes that showcase the experimental side of his audio production techniques.

This is especially apparent with the 'LooNurGooSe' release, 'Spitting Noodles'.

"When you loose someone you love, you see hints of them in everything around you. What if you could see them again? What would you do? What would you say?"
